REF: STATE 50488

Econoff delivered reftel demarche and background information to Karolina Zalach, Chief of Section in the Ministry of Infrastructure's Department of Maritime Security. Zalach said her Ministry would be very interested in looking into participation in the Global Maritime Partnership initiative. However, Zalach added, the broad scope of the GMP initiative would require her to consult with other ministries and other offices within the Ministry of Infrastructure. She said she would contact the embassy after she had the opportunity to consult with other ministries and offices.
